INDEX OF PERSONAL NAMES

The number given is that of the Will.

A Will may contain more than one person of the same name.

Surnames are indexed as they appear in the wills, with no attempt at modernisation. Variant spellings are grouped together, based on the content of the wills and on *Bedfordshire Wills 1484-1533*, Bedfordshire Historical Record Society volume 76.

Commonly occurring Christian names have been abbreviated or standardised thus:

Alex	Alexander, Alisander, Alysander	Jn	John
Bart	Bartholomew, Bartellmew Berthelmew	Joan	Joan, Johanne, Jone
Cris	Christian, Cristian	Kath	Katherine, Katering, Ketering

		Thos	Thomas
		Wm	William

Other Christian names are in full as they appear in the text.

People referred to by Christian name only are indexed at the beginning of the Personal Name Index under the Christian name followed by a descriptor if possible, eg John: servt of John Smyth.

Women whose married surname is not given and cannot be inferred are indexed under their maiden surname where that can be established.

Priests have been identified by the title accorded to them in the text, eg Willis: sir Jn. Priests referred to by their office or title are indexed in the Index of Places under the name of the religious house to which they belonged.
